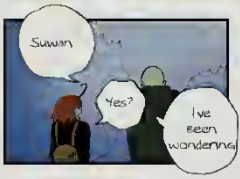
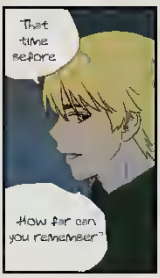
We've finally arrived.

Was my name the close



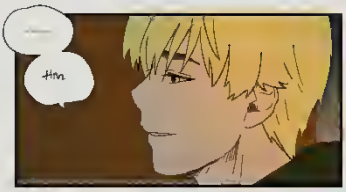
Suwan
Yes?
I've been wondering



That time before
How far can you remember?

From when I named the tunnel from when we made the sign!

You really are an idiot!
Calling me stupid so quickly
지인짜..
It may not look like it but I'm in the upper-middle in my performance!



Hm

Why?
Is there something that will be bad if I remember?

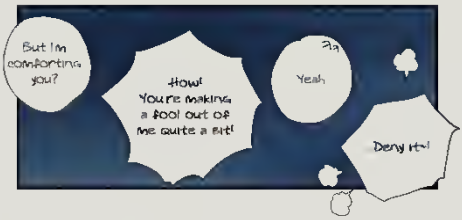
Leave it to me!
I'll get my memory back by any means!
Nah~ It's no use

You don't have to remember It's nothing big.

I'm glad you're an idiot

Suwan yeah

Eeh!?
You're calling me an idiot again!



But I'm comforting you?
How! You're making a fool out of me quite a bit!
Yeah
Deny it!

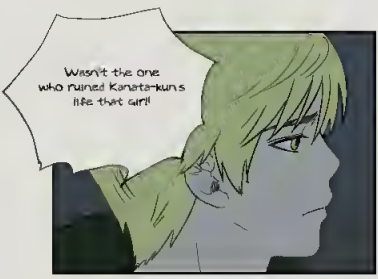
Can
we talk?

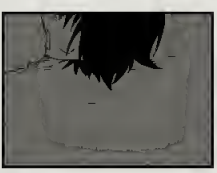
You're amazing huh?
If it's me you can throw away your pride and are unable to put on a face
Because... you would never meet me...!

But that girl doesn't even remember!
Do you know what kind of eyes you're looking at that girl with?"

That girl before... is her right?
I've realized that I myself was wrong even a little



Wasn't the one who ruined Kanata-kun's life that girl!



To you she ruined my life.
But for me it's different

Right now I'm...happy

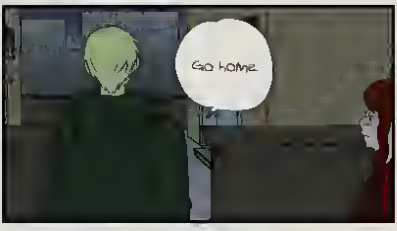
When I see your face, all the more...
Kanata-kun... do you hate

You don't
see that girl as a woman.
Do you...?

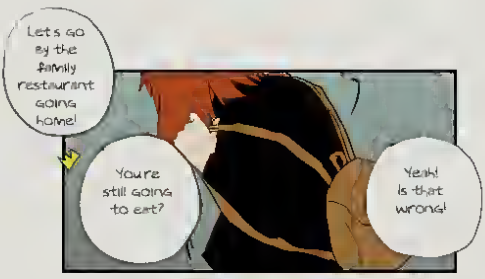
...!
Answer me!
Is that it?
It's a joke, right!? You're partner's a high school stu...!

That's enough.
Pretending you have something to do with this when you don't
Don't say these things about Suwan.

It definitely.. would be best if you stop



Go home



Let's go by the family restaurant going home!
You're still going to eat?
Yeah! Is that wrong!

It's fine!

What's with her? Isn't she acting timid!
We should've talked with her once!

We broke up
I think

I'm going home first

He told me not to come and yet I went to see him many times
The stress from exams were accumulating
It seems he got fed up with me

Why am I always like this

Ah.. yeah

Are you
in a rush?

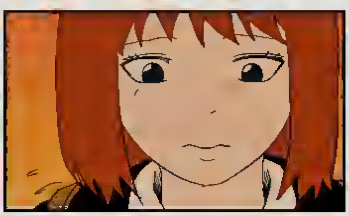
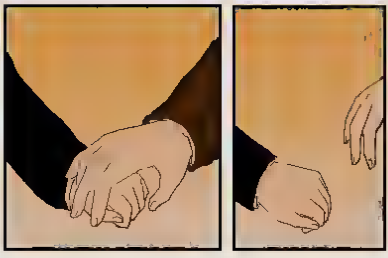
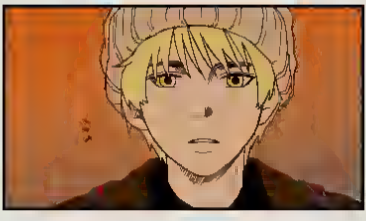
You'll become
bald if you
wear a hat
Shut up~





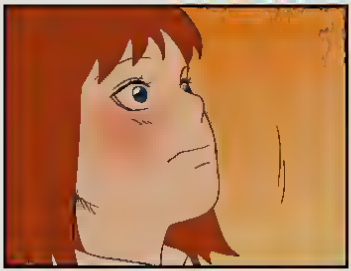
Are you hungry?
Do you want to eat something?

—m.

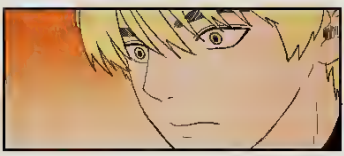


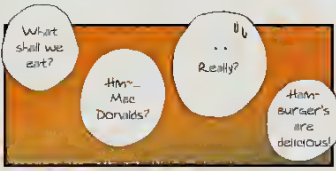
What's wrong? Does your stomach hurt?
Should I take you home?

Onii-sen?
Mm?



Hand!
Hold my hand!





What shall we eat?
Hm~ Mac Donalds?
.. Really?
Ham-burger's are delicious!

I must be careful for poor Onii-san
My money? I'm so grateful tears are coming~

Don't worry. Say what you want to eat
Then~ the con-venience store's onigiri!
